## New superintendent; school bond issue

### Kraus in interim post

By BILL WINTER  
of the Press-Record

The Board of Education on Friday night dismissed Bobby Joe Davis, 53, who was in his 18th year as superintendent of Granite City Community Unit School District Nine. The vote was 4-2.

Assistant Superintendent Frank L. Kraus, 54, a Granite City school employee 30 years, was chosen as interim superintendent through June 30, 1985. Kraus is officially scheduled to retire in June 1986 and has said informally he wants to retire in June 1985.

Granite City High School Principal Gilbert V. Walmesley, 45, was designated as acting superintendent, July 1 to 8. Kraus is to return from vacation July 9.

NO SPECIFIC REASONS were cited for the unexpected dismissal. Board President David Partney limited his comment to, "We hated to do it, but it was in the best interests of the schools."

Supt. Davis also withheld comment, including whether he will seek a hearing. Dejected over the board's vote, he remarked that he will avoid any action that would harm the school district.

Partney's motion granted Davis full pay for the 1984-85 school year, with him permitted to teach or to have no duties, depending on Davis' preference.

DAVIS' SALARY is \$48,640. His total yearly pay is \$52,869, including a \$4,229 pension contribution. The board earlier in the meeting abolished the position of employee relations administrator, which has been filled by Harold E. Hillmer, and then voted to end Hillmer's employment June 30.

He is paid \$31,846 annually, with another \$1,500 as a pension payment. TERMINATION of Supt. Davis' role took place near the end of the second of two open sessions Friday night, following an executive session.

In the first portion of the open meeting, School Treasurer Kelly Hogan read a long statement that, among other points, mentioned that some of the reports and memos transmitted between various administrators.

Administrators voiced the opinion in recent months that board members, some of them not educators, had moved into roles traditionally held by full-time administrators, undertaking a number of direct contacts with school personnel.

In a series of conferences between key employees and the board's personnel committee, Davis was excluded from attending.

FRANK KRAUS

DAVIS HIMSELF had not voiced any complaints about the board's expanded activities, but had implied that some of the conversations and contacts by Davis were well within administrative authority and need not have been automatically relayed to the board.

He did communicate extensively with the board, often referring during regular board meetings to his non-public written "updates"—sent to the board between meetings—on evolving matters and new developments affecting the district. At mid-morning Friday, the

B. J. DAVIS

superintendent was unaware of the impending dismissal and was concentrating on keeping the district's debt refinancing "on track" even though not all of the potentially needed board actions had been taken Thursday night.

The remaining refinancing actions that were occupying him in mid-morning were completed Friday night, in the third of the week's three board meetings.

PART OF THE BOARD told Davis late Friday morning of the majority's decision to obtain "new leadership" (Continued on Page 8)

### Notes, teacher orders

By BILL WINTER  
of the Press-Record

In a busy two nights of financial transactions, the Granite City Board of Education has approved a working cash fund bond issue, sale of real estate tax anticipation notes, and temporary transfer of the certificated payroll to teacher orders rather than checks.

To gain access to such new fund sources, the district moved funds about to enable it to retire \$1½ million in second-year tax anticipation warrants. With banks now reluctant to purchase warrants, the district hopes to have ended its reliance on that financing vehicle.

STRONG EMPHASIS was placed on the advantage to the public, including financial advantage, in allowing the refinancing program to go into effect. However, if there is widespread opposition to the bond plan, it will be made subject to Nov. 6 referendum approval.

Actions taken Friday night included: —Authorizing the sale of \$5 million in tax anticipation notes on taxes to be levied in 1984-85, to defray expenses of the district. Related authorizations being prepared by Chapman & Cutler, Chicago bond counsel, are to be passed at 7:30 p.m. tomorrow. An unqualified approving legal opinion is sought from

Chapman & Cutler.

DESIGNATING Dougherty, Dawkins, Strand and Yost, Minneapolis investment bankers, to buy the notes at 10.75 percent interest. The 18-month notes will be dated July 1, 1984, and mature Jan. 1, 1986.

The notes are to be delivered July 16 subject to a non-litigation certificate on the closing date. At that time, the money will be available to the schools to invest.

A purchase agreement signed Thursday night by Don M. Lindberg, DDSY vice president, says that "nothing herein shall make us your agents, employees or financial, fiscal or other advisors, or establish any fiduciary or confidential relationship between us."

—APPROVING USE of teacher orders for the July 13 payroll, assigned to the First Granite City National Bank. The district will certify that basic teacher pay is not being met and the school by the bank due to "want of funds."

The district will meet payroll deductions from its own funds; the orders apply only to the net salary. The deductions include tax-sheltered annuities, savings bonds, credit union deposits and withholding taxes.

The orders are expected to total between \$300,000 and \$400,000 (Continued on Page 6)

### Mathias heads Bi-State Agency

Carl E. Mathias of Granite City, longtime Illinois Power Co. service area manager—here, was elected chairman of the Bi-State Development Agency on Friday.

Governor James R. Thompson has just named Mathias to a second five-year term as a commissioner. ALSO APPOINTED by Thompson was Carey Cason, chairman of the East St. Louis Republican City Central Committee. Cason took part in his first meeting of the board Friday. His unexpired term ends in 1988.

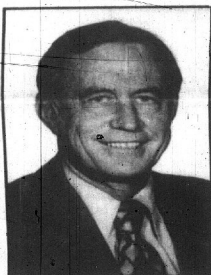

The appointments bring Bi-State's ten-member board to full strength for the first time in 16 months.

Mathias' first term ended in January but he was authorized to continue serving until he or a successor was appointed.

MATHIAS SUCCEEDS Chairman Richard Baalman, one of five Missouri commissioners. The board increased the yearly pay of Executive Director Manuel DeLaO from \$62,000 to \$67,000.

A new five-year transportation improvement program calls for revising bus lines in Granite City and East St. Louis.

BI-STATE approved contracts

with the Madison County and St. Clair County transit districts for bus subsidies from a one-fourth cent sales tax. The annual non-transit budget was set at \$2.1 million, down two percent.

### Festival to end Wednesday night

The 1984 Quad-City area Fourth of July festival at Wilson Park continues this week with a variety of events, concluding with a fireworks display Wednesday night.

Granite City's Little Miss and Juvenile Miss Fourth of July pageant is planned for tomorrow at 1 p.m. at the Wilson Park ice skating rink.

Hours for carnival rides will be from 6 to 11 p.m. today, from 1 to 5 p.m. Tuesday (reduced price matinee), from 6 to 11 p.m. tomorrow and from 1 to 11 p.m. Wednesday. Coupons are being sold during the event at 35 cents, \$4.50 for a book of 20 or \$8 for a book of 40 tickets. Three coupons are required for all major rides, and two coupons are needed for all kiddie rides.

From 7 to 9 p.m. today, a variety show featuring "Love 'N' Stuff" will be presented, while Howard Bolton and the Alley Cats will play polka music from 7 to 9 p.m. tomorrow.

The July Fourth events culminate with a fireworks show Wednesday at Wilson Park. The show offers 40 minutes of aerial and ground displays by the Star Fireworks Co. of Danville.

## Vietnam vet joins campaign for release of American soldiers in Southeast Asia

By SUSAN SIGNAIGO-WEICH  
of the Press-Record

Last week, Granite City's Dave Wiesehan paid a fitting tribute to friend Robert J. McIntosh, who lost his life while serving in Vietnam. Instead of trying to forget his friend's death, Wiesehan has been

inspired by it to dedicate his efforts to a national campaign for the release of some 2,489 American servicemen and civilians who are still missing in Southeast Asia.

WIESEHAN, WHO SERVED in Qui Nhon, South Vietnam, said he had no idea that he would someday be working for such a cause. "It

seems like Vietnam is a dead issue," he said. "It's something that people either want to forget or are trying to forget."

But almost 15 years after McIntosh's death, Wiesehan is still haunted by feelings of guilt and sorrow over his loss. Wiesehan said he did not receive word about McIntosh's death until the funeral was already over. "I've always felt regret over the fact that I wasn't able to be there."

So Wiesehan dedicated a special flagpole in his yard, complete with a plaque memorializing McIntosh. "I can't tell you how relieved I felt (Continued on Page 13)

### Better news on jobs

By GARY SCHNEIDER  
Press-Record Editor

For the first time since September 1981, unemployment in Madison County dipped below the 10 percent mark in May, according to figures released Friday by the Illinois Department of Labor, Bureau of Employment Security.

May's preliminary unemployment figure for Madison County was 9.9 percent, a decrease from 10.9 percent in April.

UNLIKE SEPTEMBER 1981, when 13.1 percent of Granite City's workforce was unemployed, and the figure was climbing, in May 1984, only 11.5 percent was listed as unemployed.

Countywide, unemployment dipped from 10.9 percent in April's final figures to 9.9 percent in May's preliminary figures, the statistics show. The county's unemployment peaked in January 1983 at 16.1 percent and has been improving since.

Likewise, Granite City's unemployment reached its peak in January 1983 at 21.4 percent and has been showing steady improvement since. At the peak, there were 4,322 Granite Cityans on the active unemployment rolls out of a workforce of 20,225. In May 1984, there were 2,250 on unemployment and the workforce had declined to

FITTING TRIBUTE. Dave Wiesehan of Granite City, completed a tribute to friend Robert McIntosh of Venice last week. McIntosh was killed in action in Vietnam in December of 1969. In his memory, Wiesehan placed a plaque and a POW-MIA flag next

to Old Glory. Wiesehan has recently joined a national effort to free some 2,489 Americans who have never returned from Southeast Asia.

## Monday, July 2, 1984 Granite City (Ill.) Press-Record Doll fair set for Saturday in Belleville

More than 75 dealers from 10 states will be displaying dolls and toys for sale at the second annual Illinois Doll and Toy Fair on Saturday, July 7. Fair hours are 10 a.m. to 5 p.m. at the Belle-Claire

Fairground Exposition Hall, Routes 13 and 159, in Belleville. Anita Berg, fair manager, announced, "Toys, dolls, trains, teddy bears, miniatures, accessories for dolls and teddies and books, about

them will be for sale to collectors of all ages. Dolls available include exquisite antique, modern, collectible, copyrighted soft sculptures, original designs and porcelain reproductions.

Patricia L. Smith, featured guest author, has written 24 books about antique and modern dolls. At this first appearance in the St. Louis Metropolitan area, Smith will appraise dolls free of charge from 1 to 4 p.m.

We are pleased to have Marty Westfall, author of "The Handbook of Doll Repair and Restoration," returning for a second guest appearance," said Berg. Westfall will answer questions about doll making and doll restoring. Both Mrs. Smith and Westfall will autograph their book during the fair.

Teddy bear collectors will have the opportunity to view "Peter" Bear, to adopt and name a bear at the "bearpharmacy," and to purchase antique, collectible and fully-jointed original design bears.

Other stuffed animals and accessories for teddy bears will also be available. Melba Lutz, a bear collector from St. Louis, will provide free bear appraisals throughout the show.

According to Mrs. Berg, doll and toy collecting is a rapidly growing hobby which includes "children" of all ages. "This fair is designed to provide toys and dolls for all types of collectors to purchase, as well as provide a setting where people can learn about the hobby and the types of toys their grandparents may have had. Many dealers also purchase old dolls and toys, and some fairgoers may want to sell items they no longer want," stated Berg.

The admission charge to the fair is \$1.00 and parking is free. The snack bar will be open all day for the convenience of collectors.

### Pharmaceutical aid bill sent to governor

A scaled down pharmaceutical assistance measure passed both Houses of the General Assembly and moved to the Governor's desk. The bill in its present form will allow senior citizens who qualify for Circuit Breaker Tax Relief to be eligible for assistance in paying for heart medicine.

Rep. Wyvett Young, (D-E. St. Louis), co-sponsored the House Bill claiming that the final version of the legislation, which originally would have included medicine for arthritis and diabetes sufferers, is "better than nothing."

Under the plan, backed by House Speaker Michael J. Madigan, qualified senior citizens who receive these medications will have a card to present to the pharmacist when they pick up their prescription. The state will then reimburse the pharmacy for the "reasonable costs" of the drugs.

This legislation is estimated to aid up to 85,000 people in Illinois, facing the most critical senior health risk.

## Way to buy Continental bank is set

A new state law will allow an out-of-state bank to purchase all Continental Illinois National Bank and Trust Co. of Chicago.

"An institution such as Continental Bank is a significant member of not only the Illinois banking community, but because of its size is a major part of the national and international financial community as well," said the legislation, which specifically to help Continental find a suitable partner during a difficult period, will help preserve the bank," Gov. James R. Thompson said.

"I commend the members of the Illinois General Assembly who worked to ensure that Continental will remain a viable institution that is a major part of our state's financial foundation," he said in signing Senate Bill 1236 in his Capitol office last week.

Under the legislation, sponsored by Sen. Arthur Berman of Chicago and Rep. Monroe Fijm of Cahokia, an out-of-state bank will be able to acquire an Illinois bank with over \$1 billion in assets. To complete that transaction, several steps and conditions would have to be met.

SB 1236 requires the chief executive officer or president of a financially troubled bank to contact the Illinois commissioner of banks and trusts. The bank official must notify the commissioner that:

1. The bank is experiencing liquidity difficulties.

2. An acquisition is desirable to protect the interests of the bank's depositors and creditors.

3. An acceptable offer has been made by a potential acquiring bank.

4. The ailing bank has not received a comparable offer from an Illinois bank.

In the first 14 days after the bank official notifies the commissioner, an Illinois bank has the opportunity to match an out-of-state bank's acquisition offer.

The new law also requires the federal banking regulatory agency, the Federal Deposit Insurance Corporation, the Comptroller of the Currency or the Federal Reserve Board to notify the commissioner that the bank is experiencing financial problems and that an acquisition is in the best interests of the bank's depositors and creditors.

In addition, the federal agency must inform the commissioner that, an acquisition is in the overall best interests of the banking system.

The measure, approved in the Senate 51-4 and in the House 95-14, contains a provision that removes the law from Illinois statutes in July 1, 1985. It takes effect immediately.

**FILE DUI CHARGE, THREE OTHER TRAFFIC CHARGES**  
Scott T. Polson, 22, of 2629 E. 23rd St. was charged with driving under the influence of alcohol, driving while his license was suspended, disobeying a Washington Avenue and E. 23rd Street stop sign and driving the wrong way on a one-way street at 1:30 a.m. Thursday. An officer halted the southbound car in the 2100 block of Washington.

Polson had a puncture wound to the left arm and said he was enroute to St. Elizabeth Medical Center. He was taken to the hospital emergency room and subsequently was arrested.

## Fate of swim pool discussed with 35

By PATRICK FOLEY  
Despite sparse attendance at last week's public hearing conducted by the Granite City Park District board on the fate of the Wilson Park swimming pool, the issue was discussed at length and four basic options facing the board and district residents were analyzed.

Only 35 residents were at the Wilson Park ice rink for the hearing conducted by Park Board President George Sykes. The four other park commissioners were also present, as were David Nolan, superintendent of parks and recreation and his assistant, John Lakin.

Also on hand to answer any technical questions about the present pool or possible options facing the park district was Robert MacDermott of R. W. MacDermott and Associates, Kirkwood, Mo., a consulting engineering firm.

Sykes began the hearing by outlining the financial state of the swimming pool operation, setting forth the options the park district is faced with concerning the pool and discussing the estimated costs involved with each of the options. Several charts were utilized by Sykes during his opening presentation.

The four options outlined included continued operation of the pool as is; closing of the pool; major renovation of the present pool; or construction of a new pool.

Pros and cons of each option were discussed along with the estimated costs.

Sykes reported that approximately \$30,000 had been spent on the pool already this season. He stressed that, despite the major repairs undertaken thus far, there is no way of knowing whether or not the pool will remain open for the rest of the summer.

Recaulking of the pool floor had been done during the spring and coping along the edge of the pool was scheduled to be replaced before the opening day, but structural problems were found that made the pool impossible to do.

Just a week after the pool opened, a leak in a pipe which feeds the wading pool was discovered. The leak caused shutdown of the pool for a week while repairs were made.

Sykes pointed out these were just the most recent problems and that other repairs to the pool have been made almost yearly, adding to the overall cost to operate the pool.

He said the pool is presently operated at a \$15,000 deficit each year and that the additional \$30,000 spent this year will obviously increase the deficit figure even further.

The park board president said closing the only public pool in the community was an option, but one he personally was against. The value of a public pool cannot be measured only in dollars, he said.

Renovation of the present pool, with several different methods of how it could be undertaken, was also discussed.

Basic renovation costs are estimated at just over \$1,000,000, which includes about \$200,000 of work to the bathhouse.

The bathhouse renovation would be necessary because of state health requirements. The park district is presently operating under a "grandfather" clause which allows operation of the 40-year-old pool and bathhouse "as is," as long as no major renovations are done to the pool.

The pool renovation would include installation of a stainless steel liner over the present pool walls and floor, enlargement of the deck area (also a state requirement), and the bathhouse work.

If a totally new pool is decided upon, some of the park commissioners support a plan to build the pool adjacent to the ice rink facility, utilizing the existing changing rooms, the existing parking lot, and the bathhouse work.

The pool renovation would include installation of a stainless steel liner over the present pool walls and floor, enlargement of the deck area (also a state requirement), and the bathhouse work.

## 'Friday at the Flags' starts this week

At Six Flags Over Mid-America, each Friday night through August 24 will be party night beginning at 5 p.m. and lasting until 12 midnight. Area teens will be able to dance to popular music videos at Six Flags' new DJ's Diner, take a double spin on favorite rides (excluding Thunder River and Rail Blazer), save \$5 off the regular ticket price after 5 p.m., rock to the tunes of celebrity bands in the Old Glory Amphitheater and enjoy all of these extras until 12 midnight.

On Friday, July 6, at 9 p.m. in the Old Glory Amphitheater, The Guess Who will be leading the 'Friday at the Flags' party.

The Guess Who has lived through numerous members, the music of the 70's and the new wave of the 80's. The music that produced twenty albums and a half dozen gold records in the 70's for The Guess Who remained popular throughout the numerous band changes the kept The Guess Who name familiar to rock 'n' roll enthusiasts twenty years later.

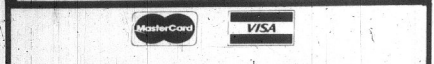

The only original band member remaining in the newly formed group is Jim Kale. He has recently revitalized the band with all new members and has taken the newly formed Guess Who on the road for two tours. Hailing from Canada, The Guess Who performs an historical catalogue of the original Guess Who music, as well as introducing five new tunes, at each concert stop.

## Services conducted for father of GC woman

Funeral services were conducted Wednesday, June 27, at St. Theresa Catholic Church in Salem, Ill., for C. L. McMackin, 72, mayor of Salem and father of Mrs. David (Ellen) Wilson of Granite City.

A retired lieutenant colonel in the U.S. Army, Mr. McMackin was buried at East Lawn Cemetery in Salem with full military honors. He died Sunday morning, June 24, 1984, at Missouri Baptist Hospital in St. Louis, following a six-month illness.

Mr. McMackin was born in Salem, Ill. At the time of his death, he was a civilian aide to the secretary of the Army for Southern Illinois, was president of the Southern Illinois Association of Mayors, vice president of the Illinois Municipal League, the Illinois state historian, first marshal of Salem Fire Department and held membership in the American Legion Post of Salem.

Other survivors include his wife, Mrs. Flora Jane McMackin; two other daughters, Mrs. Merry Gay Little of Champaign, Ill., and Mrs. Mary Delle Feldmann of Houston, Texas, and seven grandchildren.

## Funeral rites for Marie Ropp, 77

Funeral services were conducted Tuesday, June 19, in Bloomington, Ill., for Marie Ropp, 77, of Normal, Ill., formerly of Alton.

She died on June 16 at Brokaw Hospital in Normal.

Miss Ropp was the executive director of Eastern Illinois Society of Southwestern Illinois in Alton from 1965 to 1974, when she retired.

She was instrumental in organizing the Tiny Tim Pres-School that was expanded to include Edwardsville and Granite City on a two- or three-day schedule. The school operated at Central Christian Church, 2060 Johnson Road, until it was closed.

Survivors include two brothers, Clarence and Peter Ropp, both of Normal.

Burial was in Park Hill Cemetery, Bloomington. Kibler-Smith Memorial Home in Bloomington was in charge of arrangements.

Memorials are requested for the Easter Seal Society of Southwestern Illinois.

## Funeral services for Mrs. Ethel Jones, 84, Decatur

Funeral services were conducted at 10 a.m. Saturday, June 30, at the Dawson & Wiloff Funeral Home in Decatur, Ill., for Mrs. Ethel Keene Jones, 84, of Decatur, mother of Mrs. Alberta McKenny of Granite City.

She died at 1:40 p.m. Wednesday, June 27, 1984, at St. Mary's Hospital in Decatur.

Survivors include three other daughters, Mrs. Helen Reeves of Jerseyville and Mrs. Mabel White and Mrs. Emma Bolyard, both of Decatur; three sons, Thomas Keene of St. Cloud, Minn., Earl Keene of Decatur and Wilburn Keene of Savannah, Tenn.; 22 grandchildren, 35 great-grandchildren and five great-great-grandchildren.

Burial was in Harrisstown Cemetery, Decatur, and memorials are requested for the First Church of God in Decatur.

## Norma Young

Mrs. Norma J. Young, 48, of 2134 Nevada Ave., died at 4:45 p.m. Friday, June 29, 1984, at St. Elizabeth Medical Center. She had been ill six months and in the hospital two weeks.

Born and reared in Dover, Tenn., Mrs. Young resided here the past 30 years.

She was a member of the West 22nd Street Baptist Church. A sister, Mrs. Bonnie Shemwell, preceded her in death.

Among the survivors are four daughters, Mrs. Cynthia Bazzell, Mrs. Sandra Adams and Misses Lisa Angle and Dana Mead, all of Granite City; her mother, Mrs. Grace Young of Granite City; three sisters, Mrs. Virginia Previtt and Mrs. Antha Buttick, both of Granite City, and Mrs. Velma Wallace of Dover, Tenn.; two brothers, Bob Young of Granite City and Grover Young of St. Louis, and five grandchildren.

Services were at 9 a.m. today, July 2, at Randall A. Irwin Chapel for Funerals, 2801 Madison Ave., with the Rev. Allen Ahlers officiating. Burial was in St. John Cemetery, 2801 Nameoki Road. Visitation was Sunday.

## Jobs

(Continued from Page 1)

19,525, according to the preliminary figures.

GRANITE CITY'S workforce grew by 175 persons from April to May, from 19,350 to 19,525, and the number of persons actively employed increased by 275, from 17,000 in April to 17,275 in May, the figures show. In addition, the number listed as unemployed declined by 100, from 2,350 in April to 2,250 in May, according to the preliminary statistics.

The unemployment statistics reflect only those on the active unemployment rolls and do not reflect those whose unemployment benefits have run out or those who have moved out of the area to seek employment.

"Strong upward movement in construction was the prime factor in reducing the rate of unemployment to single digits," commented Velda

Gerstenecker of the Research and Analysis division of the Labor Department. A severe hailstorm April 3 created numerous construction jobs in the roofing and home repair fields during May and is expected to aid the employment situation in June.

GRANITE CITY'S May unemployment was lower than Belleville's 11.5 percent, but higher than Alton's 11.1 percent, or East St. Louis' 10.6 percent.

The county's unemployment rate of 9.8 percent was only slightly higher than the average in the seven-county region of 9.7 percent. Higher rates were recorded by Calhoun County at 17.7 percent, Jersey County at 12.9 percent, Bond County at 10.5 percent and Clinton County at 10.1 percent. Counties in the region reporting lower unemployment than Madison Coun-

ty were St. Clair at 9.7 percent and Monroe at 7.8 percent.

The county's workforce grew from 128,300 in April to 128,725 in June, according to the preliminary statistics.

STATEWIDE, unemployment dipped to 8.8 percent in May, an improvement from 9.2 percent in April's final figures. The figures show the workforce in the state increased from 5,532,000 in April to 5,581,000 in May while the number of unemployed declined from 527,000 to 489,000 in the same two months.

## Investigating fire on Johnson Road

An investigation is continuing today into a fire at 1924 Johnson Road, occurring at 12:55 a.m. today. The one-story frame house is owned by William Briggs, 3401 Kirkpatrick Homes, Sherry LeBon, 17, of 2157a Benton St., Kevin P. Spence, 34, of 1711 Walnut St., Robert A. Waters, 19, of 2803 Iowa St., and John M. Stines, 21, of 211 Madison Ave., Madison.

Firefighters were called by a neighbor who was placing trash outdoors and saw flames inside the dwelling.

At least three fires allegedly were fought inside the house. The main blaze apparently was centered in the living room, where it appeared flammable liquid had been poured on a couch and chair, reports said.

Secondary fires allegedly were ignited in a front and rear bedroom. A rear door was unlocked and a plexiglass window pane was found on the floor inside the kitchen.

A glass bottle containing some type of liquid and capped with the remains of a burned rag was recovered from near a bedroom doorway, reports said.

Briggs said the dwelling was properly secured when he checked the property Sunday. Estimated loss to the building was \$5,000 and \$1,500 loss was listed to contents.

Information concerning the initial findings was turned over to Granite City police detectives and the fire department's arson investigation team for further examination.

## GC party ends with 6 arrested

Michael A. Milosevich, 22, of 2657 Benton St., was charged with unlawful sound amplification at 3:05 a.m. Sunday after police returned to the address twice in a one-hour period upon receiving reports of loud music.

Officers alleged the music could be heard in the street as they drove up to the dwelling. Several people who reportedly were at a party at the Benton Street address were advised to leave the area.

About five minutes later, the group started walking down the street but allegedly began yelling and screaming, disturbing residents living nearby, officers reported.

Taken into custody on disorderly conduct charges were Kenneth R. Biggs, 23, of 3404 Kirkpatrick Homes, Sherry LeBon, 17, of 2157a Benton St., Kevin P. Spence, 34, of 1711 Walnut St., Robert A. Waters, 19, of 2803 Iowa St., and John M. Stines, 21, of 211 Madison Ave., Madison.

Miss LeBon also was booked on a warrant alleging failure to appear in court on a charge of not having a valid driver's license.

## GC MAN RETURNS TO HOUSE, IS ARRESTED

Leonard E. Morgan, 32, of 2923 Denver Ave., was charged with criminal damage to property and disorderly conduct when he returned to an address in the 2100 block of Grand Avenue at 6:45 a.m. Saturday.

According to reports, a 13-year-old girl, whose parents had just left the dwelling, said a man came to the front door at 6:10 a.m. Saturday and began yelling a woman's name, believing she was inside the house. The man banged on the door and a door glass allegedly was broken.

The girl became frightened and ran through the back door to the home of a neighbor, who called police. The man had left upon their arrival, however.

Shortly afterward, Morgan came to the house and was arrested. He was released after posting a \$104 cash bond.

## Armed robbers get nearly \$3,200 cash

Area law enforcement authorities are looking for two black men who robbed an employee of the Jenson-Wright Corp., 900 Twenty-Second St., at gunpoint at 9:35 a.m. Friday.

The employee had just returned from a Granite City bank after cashing payroll checks for a group of workers at the plant and was preparing to distribute the money when robbed, reports said.

The stolen money, amounting to nearly \$3,200, was being carried in a paper sack.

Arriving at the plant from the bank with the cash, the victim was getting out of a van when a man pushed a gun in his face, telling him to give him the money.

The employee being robbed yelled for help but the two men, both armed with revolvers, grabbed the sack and ran west on 22nd Street toward Illinois Avenue, where it is believed they entered a waiting vehicle.

A description of the robbers was issued and an investigation is continuing.

## Sangster named director of operations at GC Steel

W.H. Sangster, who has been employed by the Granite City Steel division of National Steel Corp. since 1970, has been promoted to director of operations. The promotion was effective yesterday.

He succeeds W.D. Swanson, who became vice president and general manager of Granite City Steel after the former general manager, Eddie Sambuchi, was transferred to National's Great Lakes Steel division in Detroit, Mich.

Sangster joined Granite City Steel in the engineering department in 1970 and has advanced through a series of positions of increased responsibility in engineering, maintenance and operations. Most recently he was general superintendent of ironmaking, a bachelor of science degree in mechanical engineering from the University of Missouri.

will be repaid with 9.5 percent annual interest as soon as sufficient money become available.

Among the board's decisions Thursday were:

—DECLARING the district's intention to issue \$6.6 million or less in working cash fund bonds, and directing that notice of the intent be given to the public. The transaction relates to the education, building and transportation funds.

Goal is to enable the district "to have in its treasury at all times sufficient money to meet demands for ordinary and necessary expenditures for corporate purposes."

A petition may be filed within 30 days after publication of the notice, indicating that ten percent of the voters request an election Nov. 6.

—AUTHORIZING teacher orders totaling \$228,827 for the June 29 payroll, assigned to the First Granite City National Bank at 9.5 percent interest.

—Making an interfund loan of \$660,000 from the vouchers payable account to the education fund. The

money is from sale of school building.

—Authorizing a loan of \$180,000 from the building fund to the education fund.

—DIRECTING RETIREMENT of all existing second-year tax anticipation warrants.

The retirement is being funded from the two interfund loans and a newly-received \$800,000 state aid payment. Interest on the \$1.3 million was estimated at \$80,000 to \$90,000.

All of the financial actions were by 6-0 votes, with Secretary Tom Miosky absent. Working with the board on details of the refinancing were Lindberg, Supl. B.J. Davis, Finance Director Norman Owca and Attorney William Schooley III.

Duration of the scheduled bond issue has not been set. The number of years mentioned included seven, 10 or 12.

# College provost leaving Alpha Center has aided 125

Dr. Frank Gornick, provost of Granite City College (GCC) of Belleville Area College (BAC), submitted his resignation at a BAC Board of Trustees meeting last week so that he may accept a position with a California community college.

Dr. Gornick, who has been with BAC since 1975, will become dean of students at Bakersfield College in Bakersfield, Calif. Aug. 1. He will resign his GCC post effective July 21.

The new position will include supervision of student life, including athletics, dormitories, physical education instruction, bookstore and cafeteria operations, counseling, admission and student government. There are approximately 4,000 students.

"I'M REALLY EXCITED about Bakersfield," he said. "It presents a lot of new challenges."

Dr. Gornick said he will be sorry to leave the many friends he and his family have made in Belleville and Granite City. "I leave good wishes for the college district's continued success, especially here in Granite City," he said.

"I expect great things to come here. Granite City—the community and the people—have been most gracious to my staff, myself and my family. The community never said 'no.'"

"I'm sure my successor will have the same support. I expect continued growth and prosperity."

ALTHOUGH THERE has not been a new provost named, the BAC trustees are considering "several options," he said.

"They (the trustees) realize how well the community has responded to the college program here and they in turn will respond with a successor who has education and experience comparable to my own."

The provost, who holds bachelor and master degrees from Sacramento State University, said he has always planned to return to California. His wife, Gloria, was born in central California. He is originally from Chicago.

Dr. Gornick has worked in community college education for close to 15 years. He came to BAC nine years ago as director of counseling. In 1980, he was named dean of university transfer programs.

BEFORE COMING TO this area, he was director of financial aid and placement at Richland College in Dallas, Texas. From 1970 to 1971, he was director of admissions and a counselor at Howard County Community College, Columbia, Md.

He has served as a consultant to community colleges throughout the

DR. FRANK GORNICK

country as well as for St. Louis-based companies, including Ralston, Purina and Monsanto.

Gornick began his education at Coalinga College, a community college in Coalinga, Calif. He holds a doctorate in education from St. Louis University.

SINCE ASSUMING the Granite City position 17 months ago, he has been active in a number of community organizations here. He has been a member of the Tri-Cities Area Chamber of Commerce board of directors and chairman of the Chamber's Education Committee. He served as chairman of the Salvation Army's successful Tree of Lights drive in the Quad-City area last Christmas.

He has been a member of the Program Advisory Committee of the Illinois Community College Board, the Granite City Rotary Club, the Kiwanis Club and the board of the Chokoma Mound Council of the Boy Scouts of America.

He and his wife have three children—Frankie, Victoria and Christina. They live in Belleville. (A related article is on today's Press-Record campus page.)

## DUI ARREST ON RT. 111

Pontoon Beach police arrested Paul L. Crake, 54, of 22a Eastgate Drive at 2:29 a.m. Friday for driving under the influence of an intoxicating substance. He was northbound on Illinois Route 111 near Georgetown Road when an officer noticed his car cross the center line. He was released on a notice to appear to answer the charge.

A large brick house at 2104 Cleveland Blvd. looks no different from the others on the block but, inside, it is one of a kind in the Metro East area. Alpha Center for Women is housed at this address. 125 area women have found temporary housing, education and care here since December 1980.

Alpha Center, a Tri-Cities Area Way agency, was founded as an alternative to abortion by the Granite City Right to Life Group. Five members visited a large Florida facility called the Beta House, where they received training and experience in providing this community service.

Upon their return, these individuals were determined to establish a similar facility to address the special needs of the area's distressed young mothers-to-be. Their enthusiasm and work led to the founding of the Alpha Center.

With the exception of Yelma Rice, the energetic house mother, the center is staffed entirely by volunteers, supervised by Betty Stegmeyer, and relies on donations and United Way funding to meet operating expenses.

Alpha Center's programs are designed to provide psychological, social, educational and financial assistance. Individual and group

counseling help the young women deal with their decisions and problems. Courses in health, prenatal and infant care, financial management and budget planning help prepare the women for economic survival as young parents.

Assistance in locating and securing long-term housing, financial assistance and medical care is provided by cooperation and referrals between several local community services agencies. Optional Bible study can provide spiritual guidance, also.

The services of Alpha Center are available to all women, regardless of race, religion, age, or ability. Future plans for the infant or the stage of pregnancy.

A 24-hour phone line (876-2030) is available and information can be obtained from Alpha Center at: P.O. Box 997, Nameoki Station, Granite City, Ill. 62049.

## ALLEGED MAN EXPOSES SELF TO GIRLS AT WILSON PARK

Yong Sy Kim, 24, of 2423 Washington Ave. was charged with disorderly conduct after he allegedly exposed himself to two juvenile girls in Wilson Park at 5:14 p.m. Thursday.

The girls said he walked over to a park table and was sitting there when the incident occurred. He then allegedly walked into the women's restroom at the park. He was released on \$52 cash bail.

## RECOVER STOLEN PICKUP

Granite City police at 12:30 a.m. Friday recovered a pickup truck that had been stolen in St. Louis. An employee of Arrons Auto Sales, 3055 Sinclair Ave., was in the garage when he heard a car pull in and go behind the back of the building. He then heard unfamiliar voices. A co-worker pulled a vehicle across the front of the drive so men in the truck could not leave but the suspects fled.

Responding to a disturbance call at 4:25 a.m. Sunday, police went to the apartment of Peggy S. Gordon, 26, of 3611 Kirkpatrick Homes, where it was alleged she was yelling obscenities while clutching a man on the floor.

John Moody Jr. of Granite City suffered scratches to the face and neck and possibly other injuries and went to St. Elizabeth Medical Center for treatment.

Mrs. Gordon was taken into custody and booked for alleged battery. She was released upon posting a \$52 cash bond.

## THWART ATTEMPTED THEFT AT CONALCO

Two men seen driving a forklift truck near the casting dock at the north end of the Conalco plant in Venice at 12:05 a.m. Saturday ran after they apparently realized they had been spotted by an employee. The pair jumped over a fence on the east side of the plant, abandoning the company's forklift, which held a quantity of aluminum.

## Groups can apply to register voters

Evelyn Bowles, Madison County clerk, has announced that she has available the application form which is to be used by organizations in requesting certification as a qualified state civic organization under Public Act 83-1059.

Organizations which are certified can, under the new law which became effective July 1, request to have the officers or their designees trained and deputized for the purpose of registering voters.

Upon receipt of notification from the State Board of Elections, and a written request from the organiza-

tion, the county clerk will conduct a training course to prepare those persons designated to function as deputy registrars.

Officers or designees of labor unions, high school principals, librarians and employees of the Illinois Department of State, Department of Labor and Department of Public Aid are also included as potential registrars under the new law.

To date, Miss Bowles has trained 61 persons who will begin registering voters this month.

## Thoughts of July 4th, Nov. 6

As the American Historic and Cultural Society sees it, the 4th of July is a good time not only for fireworks but also for thoughts about the 6th of November, our next general election.

After all, the holiday being celebrated Wednesday is Independence Day, and voting has a lot to do with independence, democracy and freedom.

The primary skirmishing is over. Democrats will meet this month in San Francisco and Republicans will convene next month in Dallas. Three months after that, candidates representing different political philosophies will seek citizens' ballot support.

It will be of world significance. Nearly every nation watches the process intently. Domestically, policies of the White House will affect the lives and well-being of all in a multitude of ways.

On election day, unfortunately, millions of Americans do not stand up to be counted. The political hoopla usually turns into a good show, but masses of people turn their backs and stay away from the polls.

As Quad-Cityans observe Independence Day, this indifference by so many Americans is an undeniable cloud on the horizon. It presents a challenge that needs to be dealt with.

The National Election Commission says only 55 percent of eligible voters participated in the 1980

election. Many possible reasons could be given for this, but one fact is inescapable. A healthy, effective democracy requires that the public register and vote.

Some say that one missing ballot in millions is meaningless. But this is not true.

In 1980, about 70 million eligible to vote did not. In 1984, five percentage points separated Ronald Reagan and Jimmy Carter. These states produced 165 electoral votes, more than 60 percent of the 270 required to carry the electoral College. Had more substantial numbers voted, the result might have been changed.

In 1960, Richard Nixon lost to John F. Kennedy by less than one vote per precinct out of a total of over 30,000 precincts. In 1968, Nixon won over Hubert Humphrey by less than three votes per precinct out of more than 73 million ballots.

Groups have been appointing Flag Day, June 14, to July 4, as a special 21-day period to honor America. What better way to honor our nation than to prepare to exercise our privilege of helping elect a president?

We recommend: Be sure you are registered. Become knowledgeable on candidates and issues. And on Tuesday, Nov. 6, make use of your most prized possession - your right to vote for the candidates and party of your choice.

ship" for the 9,000-student system, which once had 15,000 enrolled. High unemployment and the related economic recession have helped cause yearly spending-revenue imbalances through 1982-83, also adversely affecting enrollment.

A St. Louis news reporter at the start of Friday's meeting said his editors had been asked by a board member that day to have him attend and write about the "firing of the superintendent."

He had not covered the Tuesday or Thursday meetings, but said he had been told Davis would be the target Friday.

There was no advance notice to local media of the planned dismissal of Davis.

**VOTING TO END DAVIS' DUTIES** as of June 30 were Partney, Hogan and two board members who formerly were administrators at Davis' staff: Mrs. Ruth D. Lahr (Title I) and Alan Crider (gifted pupils).

Mrs. Lahr is retired and Crider is a teacher in St. Louis County.

Opposed to the dismissal were Monroe Worthen and Dewey Melton. Secretary Tom Mofsky was absent. The same 4-2 voting margin was tallied on ending the employee relations position and on a motion by Hogan to reduce the size of the Granite City High School assistant principals' work year from 12 months to 10 months, effective July 1, 1985, and to assign one of the three to Coolsidge Junior High School.

**WORTHEN DISAGREED** with portions of Hogan's rapidly read statement on the resignation and outlook of the district. Worthen said he would delay full comment until he has been able to see its text.

There have been numerous administrative changes since three new members were elected to the board in November 1983. Most of the changes were made on the recommendation of Hogan rather than Davis.

**HOGAN AND CRIDER** were elected to the board with the backing, among many other supporters, of Teachers' Federation Local 743. Mrs. Lahr, also newly elected in 1983, has generally sided with Hogan, Crider and Partney.

Partney and Melton were re-elected to the board last November and Hogan are to serve until 1987, terms expiring in November 1985 are those of Mofsky, Crider, Mrs. Lahr and Worthen.

While Davis was not the target of a board majority until June 29, some administrators who were regarded as close to Davis were demoted earlier. The demotions were part of an effort to reduce costs and help eliminate debt.

**ON THE OTHER HAND**, although there was anxiety and unhappiness during the winter and spring, they were not the only ones dissatisfied. The board itself seemed displeased with its degree of responsiveness to its wishes.

Some members have said they felt the board was receiving insufficient cooperation from Supt. Davis. One of the board members complained last winter that the staff seemed to react as if he were "a green-eyed monster" whenever the board member entered the board-administrative office building.

On March 27, Partney's motion to combine the jobs of the superintendent and assistant superintendent was

of June 30 died for lack of a second. Dismissal of Davis and selection of Kraus as interim superintendent apparently achieves that job-consolidation goal.

**MARCH OR APRIL** was regarded as the deadline to end Davis' job without paying him for 1984-85. Hillmer had no such security because he was a non-certificated (non-educator) administrator.

At the Feb. 7 board meeting, Pres. Partney and Mrs. Lahr assailed the administration for permitting an unacceptable number of building deficiencies and hazards at GCHS. A bond election that would have corrected some of the deterioration was defeated by voters in 1980 by a 2-1 margin.

In his retirement message at the same "early-February" meeting, Davis said the administration staff that have been made in maintaining and advancing the quality of education, so long a trademark of District 18, have been a great source of pride.

On his recommendation, the board in recent years emphasized maintaining all instructional and activity programs and seeking to solve cost problems, by operating fewer schools.

**THROUGHOUT** these years, the board and staff have given of themselves for the benefit of the children we serve," his retirement comment continued. "I have been honored to serve with each and every one. We all had the same goal - to offer this community the best education that available human talents and financial resources allowed."

On the June 26 board meeting, the board voted 2-3 (three backing the proposal, Worthen and Mofsky, favoring it, Melton abstaining and Crider absent) on a recommendation by Davis, new Data Processing Director Monte Kessler and Finance Director Norman Orsca to purchase a new mainframe computer.

Partney, Hogan and Crider said a computer is too costly in light of the \$7.5 million owed by the district. The administrators had outlined a five-year payment plan and cited potential savings the machine would bring. They said the big computer could enable streamlining and efficiencies that would be important to achieve as the district's staff shrinks through attrition over the next two years.

**IN A RELATED ACTION**, a microcomputer was ordered as part of a plan to automate attendance records and end two secretarial positions at GCHS.

Hogan's statement Friday night criticized some of the district's spending, including a study by an outside consultant.

The board member, and school treasurer urged teamwork by the board, administration, employees and public and said citizens' ideas are needed to solve a variety of school problems and also to advance current planning for a possible referendum.

On his recommendation, it was decided to form a "blue ribbon" committee including a cross-section of the local community.

**PARTNEY APPOINTED** Hogan to spearhead selection of the proposed citizen panel.

Melton said he disagreed with several assertions and cost impact comments voiced by Hogan.

Worthen unsuccessfully sought to pin down the precise extent of the board majority's commitment to projected financial improvements.

**KRAUS**, a surprise selection for the interim superintendent post because of past differences between him and Partney, has been assistant superintendent for 17 years and also coordinator of the Granite City extension centers of Belleville Area College for eight years.

The latter responsibilities once included night duty, mechanical instruction at Granite City High School North and night adult and vocational programs at GCHS South.

A year ago, Kraus was named instructional coordinator and Private Industry Council liaison of BAC in connection with the college's operation of Granite City Center in the former North High.

He attended Granite City schools, and he and the former Joanne Ward are the parents of Douglas, 24, and Jane, 18.

**KRAUS IS A VETERAN** of two years in the U.S. Air Force. He holds a bachelor of education degree from Southern Illinois University (1954), master of education degree from Indiana University (1957) and six-year specialist certification from SIU (1969).

The new interim superintendent, spent eight years as a teacher and coach and five years as a school principal before being named assistant superintendent in 1967. For many years he was active as an athletic referee.

His basic salary has been \$42,918.

**G. V. WALMSLEY**, who is being given eight days of experience in the district's top administrative job, will be handling duties that include coordinating tomorrow night's board meeting.

He began teaching industrial arts at Roosevelt High School in St. Louis in 1962.

The following year, Walmsley came to Granite City High School as a teacher of industrial arts and driver education.

**FROM 1965 TO 1967** he was a guidance counselor at GCHS and in 1967 named a GCHS assistant principal.

In 1970 Walmsley became principal of Prather Junior High School, serving there until being named principal-elect of Granite City High School North for the 1972-73 year.

During that year he supervised the design, building and staffing of a new high school that was then under construction.

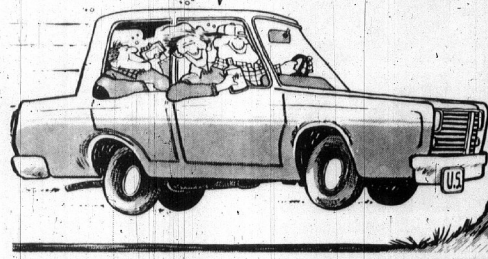

**WALMSLEY WAS NORTH'S** principal throughout its ten-year history, 1973-82. When North and South were consolidated into GCHS at the former South site, 3101 Madison Ave., he became its principal a year ago and retains that position for 1984-85.

Born in East Alton, he attended East Alton schools and East Alton-Wood River High School. Married and a father, he holds a bachelor of science degree in industrial arts and safety education from SIU at Carbondale (1962) and a master of science degree in school administration and guidance from SIU at Edwardsville (1965).

He is credited with leadership that helped to virtually eliminate South-North rivalries when the two high schools were combined. The

### Raising the drinking age

GIL DICKEY

PHILLIP MILLER

DENNIS GRIMM

DONNA CAGLE

There has been a push recently by an organization of mothers, Mother Against Drunk Drivers (MADD), to increase the national legal age to purchase liquor and alcohol to 21. Quad-Cityans shopping at Crossroads Plaza Friday were asked if they favored such a widespread ruling. Their reactions, follow:

#### Gil Dickey, Granite City

"I'm definitely against the younger drinking age. I guess part of that may be because I don't drink. Yes, I think an older drinking age will cut down on traffic deaths, but if a kid wants to get the stuff he'll get it no matter what the laws are. Although an older drinking age will probably cut down on some of the traffic deaths."

#### Phillip Miller, 4th Ward Alderman

"Yes, I do favor an older drinking age. I don't think the youth of today are able to handle drinking at 18. And, by increasing the drinking age by three years, persons tend to be more rational. As for the old argument about being old enough to fight they should be able to purchase alcohol, something of the Vietnam era, I don't think that argument is valid. Even when an 18-year-old was on the battlefield they were supervised by an older, ranking officer. I think increasing the drinking age by three years will definitely cut down on traffic deaths."

#### Dennis Grimm, Granite City

"Yes, I think the age should be higher, to 21. The age for drinking has to be uniform. When it was 18 in Illinois under age drinkers used to flock over here from St. Louis to buy liquor. And, you know what they were up to. I definitely think the drinking age should be 21, and, yes, I think it will cut down on accidents."

#### Donna Cagle, St. Louis

"Yes, I'd favor increasing the national drinking age to 21. I don't think it's a bad idea, and I think it will help curb some of the traffic deaths caused by drinking and driving."

### Disturbance calls lead to 7 arrests

Receiving at least five calls from residents in the vicinity of the 2800 block of Maryville Road, concerning a loud party, officers went to the area and found about 10 people in the driveway of a church in the 2700 block.

Members of the group allegedly were loud and uncooperative and one man ran from the scene, jumping over fences and running through yards to elude an officer, reports said.

Arrested at the scene and charged with disorderly conduct were Jerry D. King, 19, of 2229 Northridge, Christopher J. Hill, 18, of 2304 Wilson Ave., Glen A. Hutter, 19, of 2560 Northridge, John R. Jackson, 20, of 444 Wabash Ave., Jerry K. Jordan, 18, of 2105 Miracle Ave., and George Michalidis, 17, of 3019 Marshall Ave.

The man who allegedly ran from the scene, Nathan C. Crane, 18, of 3727 Cedar View Lane, was contacted by phone and reported to police headquarters at 3:40 a.m. Saturday. He also was charged with disorderly conduct.

After detainering that three Granite City women, ages 22, 20 and 18, were not involved in the disturbance, the trio was released without charges, reports said.

Jackson, Jordan, Crane, Hill, Hutter and King were freed after each posted a \$52 cash bond. Michalidis was released on a notice to appear for a hearing.

#### TRUCK TRAILER SINKS IN PAVEMENT ON CLEVELAND

A 40-foot truck trailer parked in the 1700 block of Cleveland Boulevard sank into the pavement there, it was reported last week by the driver, Marty E. Landess of Granite City. After dropping the trailer from a truck-tractor and pulling away, he noticed the trailer was sinking into the pavement and tried to get the tractor underneath it, but the trailer had sunk too low.

The 40-foot trailer, owned by Piggy Back Transport, St. Louis, and holding a load weighing about 48,000 pounds, was against an Illinois Power Co. transformer station pole. Work crews from the utility and the street department were called to the scene and a towing company raised the trailer to get it removed.

## Committee to reopen 'Y' Teen Town

A pilot program to try to reopen the Teen Town project at the Tri-Cities YMCA was held, last week, for seventh and eighth grade students, under the auspices of Dave Fennire, executive director of the Y, and a group of interested parents and former members.

"Super Hump," a disc jockey, who attended the affair, assisted the parents with a "break dance" contest for the young people.

Local residents, who were active participants during the 1960's Teen Town served as chaperones at the

first such affair in almost 20 years. Reminiscing about the days they attended Teen Town were Shirley Adams, Roy and Joyce Corey, Bob and Marilyn Harris and Neil and Pat Winters. They have formed a committee to promote the youth organization and hope to have all arrangements completed in the fall to open about mid-September.

Winners of the contest included Timm Miller and Jeff Beard, The Megatrons, first, Ron Labory and Mark Hunter, The Hi-Tops, second

## Navy Mothers hosts nursing home party

Quad City Navy Mothers, Chapter 850, hosted a party for veterans and residents of the Colman's Nursing Home with 11 volunteers attending who tabulated 44 hours. It was announced at a social meeting of the chapter.

Commander Clara Layton presided at the Thursday night session in the VFW Hall, and administered the oath of obligation to new members, Mrs. Mary Pieper, a Navy mother, and Mrs. Jenny Bilyeu, an associate member.

She also introduced a guest for the evening, Mrs. Joanne Barnett. The commander read a welfare report submitted by Margaret Minzes recounting monies raised by the chapter and its disbursements. There was \$325 sent to VAVS, \$431 to Nival welfare and \$910 for general events, totaling \$1,667 for a six month period.

Hostesses for the affair were Nina

Motsinger and Lori McMann. They selected a Chinese theme for the table decorations using open fans and dishes of fortune cookies as centerpieces and served Chinese hors d'oeuvres.

After the luncheon the mystery package and traveling basket was presented to Marian Lipscomb and the special prize went to Mrs. Motsinger. Game winners were Mrs. Pieper, Mrs. McMann and Edna Miller.

The next meeting on July 12 will be held at the VFW hall and will be a business session.

## Bethel 43 honors fathers

Job's Daughters of Bethel 43 accorded special honors to their fathers at a meeting held last week at the Masonic Temple.

To open the observance Lisa Jackson, librarian, read a report she composed entitled "To Dad," followed by all members singing "My Fathers Eyes."

Mrs. Charlotte Root, bethel guardian, opened the meeting with Beth Barr, honored queen, presiding over the session.

Business discussed included a report of a recent trip to Six Flags Over Mid-America with 32 members and parents attending. It was also noted the Job-A-Rama Camp will be held July 22-25 at Camp Sunrise at Lake Bloomington.

The annual supreme session will be held in Portland, Ore., during the week of Aug. 12. Miss Barr announced and added that Bethel 43 has been invited to attend the DeMolay Conclave at Western Illinois University on Aug. 16-19.

Plans were discussed concerning a trip on July 15 to Shriner's Childrens Hospital in St. Louis for the members and parents.

Mrs. Rebecca Slate, past bethel

guardian, installed council members that included the executive council, Mrs. Root, guardian, Ralph Baker, associate guardian, Mrs. Emily Hahn, secretary, Dale O'Beir, treasurer, and Mrs. Marilyn Bodman, director of music. Associate council members installed were Richard Bills, promoter of Emma's Mrs. Billie Bosworth, director of epochs and Mrs. Barbara Barr, custodian of paraphernalia.

The meeting closed with the formation of the Living Cross as the song, "We Have This Moment," was sung by all.

Refreshments were served in the dining room after the meeting and the next session will be the official visit by the grand officers on July 10, Miss Barr added.

## Bill to change funding of state retirement systems is revived

Representative Sam Wolf of Granite City reported today that SB 1263, which contains a formula for providing a new system of funding the state's pension systems, passed the House and is now awaiting concurrence by the Senate.

Wolf, who is Chairman of the House Pension Committee, indicated that the bill had been defeated in committee in its original form; however, in working with the sponsor, the Pension Laws Committee, and members of the retirement systems, an amendment was worked out which removed objectionable parts of the bill and

placed it in the posture that it could be supported by both sides of the questions. The next step was getting the House to discharge the committee and place it on the House floor for further consideration, which was accomplished.

"As Chairman of the Committee, I felt that the issue was of such importance that an extra effort should be made to work out an agreement. This issue has been of great concern to many of the annuitants of the retirement systems who have requested on numerous occasions that legislative action be taken to correct

the unfunded liability of the state with regard to the retirement systems," Wolf said. "The provisions of the bill would increase the state's participation in the systems gradually over a period of 10 years until 100% funding, together with interest on the unfunded liability, has been accomplished." Wolf continued - "This would stabilize the funding of the systems in accordance with the formula worked out by the Pension Laws Committee." In the past three years, the state funded retirement systems have incurred a large unfunded liability," Wolf ex-

plained. "This is because the governor has provided only 60% to 75% of the money to be paid in benefits, instead of the 100% which results in the systems paying the remainder with their investment funds."

"I am pleased that with the passing of this bill, not only present retirees but, in addition, future retirees will be assured that they will receive the full retirement benefits due them at the proper time," Wolf concluded.

The bill, now in the Senate, will be passed to the Governor for signing, after concurrence in that chamber.

## Grant to county for veterans' jobs, training

Nelad Hagnauer, Madison County Board chairman, announced Friday that Madison County has been awarded a grant of \$139,647 for the Veteran's Employment and Training Service.

This program is part of the Job Training Partnership Act (JTPA) passed by Congress in October 1982. It will be operated by the Madison County Veterans Assistance Commission, in cooperation with the Madison County Employment and Training Department, through sub-contract with VOICES (Veterans Outreach Investment Counseling and Education Service), a local non-profit, community-based organization.

Veterans will be provided with a comprehensive scope of service including outreach, counseling in readjustment, Veterans Administration benefits, and vocation and education help.

Job development activities will be targeted at providing 120 veterans with permanent, full-time employment, while 140 veterans with permanent, full-time employment, while 140 veterans will be placed in vocational training and on-the-job training programs.

To be eligible for these services, a participant must be a service-connected disabled veteran, a Vietnam era veteran, or a recently separated veteran who applies within 12 months of separation from military service.

Veterans seeking assistance through this program are being urged to contact the Madison County Veterans Assistance Commission, 100 Parcels Ave., Edwardsville, telephone 1-800-4230, Extension 4554.

## Foster parents sought for boy

Patrick is an attractive, alert two year old who enjoys playing outside on his riding toys. "Patrick is an active child who is outgoing and friendly with adults," according to Patrick's worker, Steve Blair. This blond haired boy likes to watch Sesame Street.

"Patrick needs an energetic foster mother and foster father," said Blair, a social worker with the Illinois Department of Children and Family Services.

"Because of a past history of child abuse, Patrick will also need a strong but loving father. The foster family for Patrick must be patient and capable of dealing with tantrums in a firm but loving manner."

"His current living situation is deteriorating and this toddler will soon need a foster home, Blair said. "Many foster children are victims of child abuse, like Patrick. Foster parents for these children should be patient and understanding. Foster homes are needed for children of all ages. Children in foster care range in age from newborn infants through young adulthood.

Those interested in becoming Patrick's foster parent or in more information on the department's foster care programs may call Jane at 876-8985. Private agency foster parents interested in Patrick may contact their local office.

## House includes funds for energy assistance

The Illinois House is attempting to provide \$34.8 million to public aid recipients for energy assistance grants.

House amendment 2 to Senate Bill 1574 would appropriate \$24 million for energy assistance grants to families with dependent children, according to the amendment's sponsor Rep. Wyvetter Youngs (D-E. St. Louis).

"The amendment also includes the aged, blind, disabled, refugees, and those who receive general assistance," she continued. "On Tuesday, I was joined in my efforts by Rep. Carol Braun (D - Chicago) who added \$10.8 million more for energy assistance grants in an amendment she sponsored," Mrs. Youngs added.

Amendment 2 to SB 1574 also appropriates an additional \$26 million to the Medical Assistance Division for nursing home reimbursements. "This is all new money," Mrs. Youngs said, "and hopefully nursing homes will channel some of this money into higher wages for aides and nurses who take care of the elderly in nursing homes on a day-to-day basis."

## BAC trustees approve budget, say goodbye to GCC provost

The Belleville Area College Board of Trustees approved a \$14.6 million budget, passed pay increases for administrators and secretaries, and said goodbye to the provost of the college's Granite City Center last week.

The 1984-85 budget includes funding for Granite City Center, which opened last summer, and Red Bud Center, which is scheduled to open in January 1985, as well as for the main campus in Belleville.

IT REPRESENTS a continuing trend of earmarking a smaller and smaller percentage of the college's funds for salaries and a larger percentage for instructional equipment and materials.

Equipment to be purchased in-

cludes microcomputers to be used in programs throughout the college, including those in business and drafting.

The budget is prepared through use of zero-base budgeting and a series of open hearings. Administrators and faculty members participate in the process.

THE BOARD APPROVED a six percent pay increase for college administrators. This is the same rate approved for faculty members during negotiations earlier this year.

Administrators will receive the college's standard contracts, which are one year for those with less than four years of service, two years for those with four or more years of service, and three years for the president.

Academic Dean Dr. Robert Eskridge will receive a three-year contract for exemplary service. Eskridge was named Administrator of the Year at a recent board meeting.

A three-year pay package for secretaries was adopted. They will receive raises recommended in a job classification and compensation plan prepared by the consulting firm of Ernst and Whinney. Salaries vary according to classification and the employee's length of service.

THE AVERAGE INCREASE will be 11.5 percent over three years or 5 percent during 1984-85, four percent in 1985-86 and five percent in 1986-87.

The resignation of Dr. Frank Gornick, provost of the college's Granite

City Center, effective July 21, was approved. (See related story p. 11.) Gornick will become Dean of Students at Bakersfield College in Bakersfield, Calif., Aug. 1.

The board and BAC President Dr. Bruce R. Wissors accepted the resignation with reluctance.

"I'm sorry to see Frank Gornick leave," said Trustee Wayne Reynolds of Belleville. "He's been an important part of this administration."

WISSORE, ECHOED Reynolds' sentiments. "As everybody knows, the future growth of this college district lies in Granite City," Wissors began. "Frank has been the leader in that growth. He is responsible for the excellent foothold in

Granite City and success beyond our hopes. For me, this is a professional loss and a personal loss."

A replacement will be sought for Gornick, who has worked for Belleville Area College since 1973. He first came to the area as Director of Counseling. In 1980, he was named Dean of University Transfer Programs. When Granite City Center opened last year, he was appointed to serve as head of the project.

IN OTHER ACTION, the board APPROVED AN agreement to lease the 16-acre site for Red Bud Center. Ground was broken at the site Monday, June 23.

Agreed to extend in-district tuition rates to out-of-district persons employed by businesses in the col-

lege district, if they enroll in courses that are part of the company's training program. The change was spurred by a request from Granite City Steel, which has an extensive training program in conjunction with the college.

— ACCEPTED a contract with the St. Louis District of the Army Corps of Engineers to provide internships for BAC students.

— ADOPTED A \$75,000 student activities budget.

— Approved a \$522,911 budget for the college's Menard Correctional Center Project. The project is funded through the Illinois Department of Corrections and the Illinois Community College Board.

**SIUE STUDENTS RECEIVE NATIONAL ASPA AWARD.** The campus chapter of the American Society of Personnel Administration (ASPA) at Southern Illinois University at Edwardsville has received the National ASPA Student Chapter Merit Award for the third consecutive year. Michael Roy Scott (second from left) of Edwardsville, president of the chapter, was named the Outstanding Student of the Year by the Industrial Relations Society of Greater St. Louis, Inc. and by the national professional organization. Other congratulatory letters to the chapter's accomplishments included, from left: David V. Avakian, administrator for Ralston-Purina, Neal Rubsamen, industrial relations manager for Amex Zont Co., Lecher A. Boggs, vice president and director of personnel at Booker Associates, Inc. and Edward Harrick, associate professor of management at SIUE.

## 'On Golden Pond' opens SIUE summer show-biz season

"On Golden Pond," the Ernest Thompson play widely honored in both its stage and film versions, will open the Summer Show Biz '84 season of the Southern Illinois University at Edwardsville Theater.

The first performance will be presented Thursday, July 5, at 8:15 p.m. in the Communications Building theater, with subsequent performances on July 6 and 7, at the same time. The play will close on Sunday, July 8, at 7 p.m.

"ON GOLDEN POND" tells the story of a spirited family reaching reconciliation with themselves at summer retreat, with the basic focus on the elderly father facing his death.

Featured in the cast are Robert Hawkins, professor in the SIUE department of speech communications, as Norman Thayer, and Norma Mendoza of Granite City, editor of The Alestie, as Ethel, his wife of 41 years.

In supporting roles are Rebecca K. Williams, as Chelsea, Thayer's feisty daughter, and Michael Beatty as the boy Billy. Keith Shaw is Charlie, the mailman, and Frank Reynolds is the doctor.

On Golden Pond is being staged by Lynn F. Kluth, professor in the

department of theater and dance at SIUE. "What we're trying to do here," Kluth said, "is to come up with a production that stresses the vitality and the strength of human relationship which develop over a long period of time. Aging for Norman and Ethel is a thing of wonder and joy to behold, not something to be viewed with sadness and regret."

Paul Lartono designed the set. Jill Cordie the lighting, and Charles

department of theater and dance at SIUE.

Published twice a year by Margaret Simons, associate professor of philosophy at Southern Illinois University at Edwardsville, the journal is named for a three-year term as editor of "Hypatia," a journal of feminist philosophy.

PERGAMON Press of London and New York, the journal will be based at SIUE during the term of Professor Simons' editorship. "Support from the university has been gratifying," she said. "Everyone I consulted for help has contributed."

ACCORDING TO THE new editor, the university's Specialization in Women's Studies, offered at the graduate level by the department of philosophical studies, should benefit from the presence of the journal on campus.

"Already, people are excited about our having been selected from a field of possible editorial sites, which included such schools as the University of Massachusetts, Smith College, and Harvard College of Columbia University," she said.

"Hypatia" provides a forum for research in feminist philosophy. Just as important is the fact that the journal encourages feminist scholars to pursue high-quality research in academic philosophy," Professor Simons noted.

The SIUE faculty member came to the attention of the journal's editorial board when she agreed to accept a position on the journal's advisory board.

Looking ahead to her term of office, Professor Simons describes three primary objectives: "First, I want to achieve autonomous status for the journal, which is now published concurrently with 'Women's Studies International Forum.' Second, the journal should eventually become a quarterly. Finally, I want to establish regional editorial boards to encourage a diversity of editorial perspectives."

Merit scholarship bill passes Senate

The Illinois Senate has approved a measure which calls for the creation of merit scholarships in Illinois.

House Bill 2400, supported by Representative Sam Wolf, (D-Granite City), would provide one time \$500 merit recognition scholarships to top students from every high school in Illinois, and according to Wolf, this bill offers several benefits and incentives to high school students.

"BY AWARDING scholarships on an academic basis," Wolf said, "We will promote excellence by rewarding student achievement. In recent years, the quality of education has been declining and these merit awards are an attempt to reverse the trend."

"Currently \$140 million worth of scholarships are given out each year," Wolf said, "but none of these monies are given to recognize academic achievement. With this bill, the top graduates in every Illinois high school will be eligible for a \$500 merit grant."

"Currently \$140 million worth of scholarships are given out each year," Wolf said, "but none of these monies are given to recognize academic achievement. With this bill, the top graduates in every Illinois high school will be eligible for a \$500 merit grant."

Scholarships provided under the bill would supplement other ongoing grants-in-aid programs and will not effect any existing scholarship programs.

"House Bill 2400 originally passed out of the House on a 72 to 38 vote and received a 52 to 1 vote in the Senate. An amendment was adopted to the bill in the Senate and the House must now concur with that amendment before the bill can go to the Governor."

## Auditions conducted for SIUE program

Persons who can dance, perform mime or music or have a talent in the visual arts are invited to try out for the Southern Illinois Arts' school and community entertainment to be performed throughout Southern Illinois.

Those wishing to audition must register in advance. The application deadline is Friday, June 29. To apply, send a resume and a letter of application to Southern Illinois Arts

(SIA), P.O. Box 3282, Carbondale, Ill. 62902-3282.

FOR INFORMATION, persons may contact Jean Shuster at BAC, 457-2864 or Valerie Thaxton at BAC, 457-2800, extension 205.

Auditions will be held Saturday, July 14, in the Belleville Area College theater on the main campus, 2500 Carlyle Road, Belleville. They will begin at 9 a.m. Audition times

will be scheduled upon receipt of performance applications.

Auditions also will be held that day for a one-man show. "Trouble is a One-Eyed Mule." The play is based on folklore of the area.

THOSE AUDITIONING should be experienced performers who have flexible hours and are willing to travel within a 125-mile radius of their homes.

**THE LAW AND YOU**

BY RICK REED Attorney At Law

Often individuals are named as Defendants in a lawsuit which has no merit. People often complain that being forced to defend a lawsuit in which they never should have been named in the first place causes damage to one's reputation, mental anguish, and lost time. Frequently the question is asked whether a person who is wrongfully named in a lawsuit can himself file suit against the Plaintiff who has maliciously brought an action under Illinois Law. There is a cause of action in Illinois known as Malicious Prosecution but it is extremely difficult to win such a case under Illinois Law.

A Defendant who has been wrongfully named in a lawsuit must prove five elements in order to recover for malicious prosecution. The injured person would have to show: (1) that he was named as a Defendant in a lawsuit; (2) that the lawsuit was terminated in his favor; (3) that there was no probable cause for bringing such an action; (4) that there was malice on the part of the person who brought such a proceeding; (5) that the person now bringing the suit suffered special injury in the previous action. In many cases the injured party will be able to demonstrate the first four elements but will have difficulty showing that he suffered a special injury beyond the scope of what could normally be expected from most lawsuits.

There was a recent case in Illinois wherein a physician filed suit against an attorney who had filed a previous action for medical malpractice. In this case, the physician had no connection with the alleged malpractice but was simply named in an effort to bring about a larger settlement. Once the Court found in favor of the physician, the physician brought an action against the attorney for malicious prosecution. The physician alleged damage to his reputation, mental anguish, increased medical malpractice insurance, and lost time in pursuing his defense. The Court found that the doctor had no cause of action against the attorney since the injury alleged was not a special injury.

From this case, it would appear that it is almost impossible under Illinois law to prevail in this type of action. The Courts have generally taken the position that people should be free to assert their rights in a court of law without fear of being sued for malicious prosecution. Some have questioned the fairness of requiring a "special injury" in these cases, but as long as this requirement is upheld, it will be almost impossible to recover under this theory.

## Vietnam vet

(Continued from Page 1)

when I put that plaque on the flagpole," he said. "But the pain I felt over missing his (McIntosh's) funeral is nothing compared with what other families, whose sons have not returned, are going through."

WIESEMAN SAID that while the flagpole idea was in the works, he decided that, along with the American flag, he also would like to fly some type of flag related to the Vietnam fight.

Through his inquiries in locating the POW/MIA (Prisoner of War/Missing in Action) flag, Wieseman said he learned about the National League of Families of American Prisoners and Missing in Southeast Asia. The group was founded in 1970 for the purpose of making the American people aware of the POW/MIA issue and to give support to the U.S. government's high priority in accounting for missing Americans.

Wieseman was put in touch with Steve Kelley, chairman of the Pentagon, Mo., chapter of the League of Families. According to Kelley, many Americans are not aware that such an agency even exists. He said that many people have not even given thought to the possibility that some of our servicemen still are being held against their will in Southeast Asia.

ACCORDING TO LEAGUE sources, of the 2,489 Americans who are still missing or otherwise unaccounted for, about 1,150 were reported killed in action, but their remains were never recovered.

Kelley said that although this leaves the possibility of some 1,339 Americans who may be alive, the league feels that only about half of these may still be prisoners, with the remaining dying since either before or after the war's end. He said that much of the league's information, concerning POWs has come from the Vietnamese "boat people."

Since 1975, the government has received 600 reports from sources who claim to have sighted individuals who they believed to be, or were told, were Americans. About 70 percent of these sightings have been

resolved (either by their association with returned prisoners or by classifying them as misinformation), but the rest are still under investigation.

KELLEY SAID THAT of those persons still unaccounted for, 105 of them are Illinois residents. He said most of those still missing are pilots.

Although some have speculated that Americans are being used for slave labor, Kelley said he feels some are being held to repair some of the American military equipment that was left after the war. If for nothing else, Kelley feels certain the Laotian government is withholding remains and persons for use as "bargaining chips" to acquire financial aid from the United States.

"I have no doubt that there are still hundreds of Americans over there," Kelley said. "One of these days, they are going to be released and then you're going to say 'You know, Steve was right—there were still Americans over there.'"

KELLEY SAID the organization has launched several publicity campaigns recently to help notify the American public.

One of the major public awareness projects includes posters that feature a "wanted, dead or alive" saying. The posters urge Americans to write their senators or congressmen. "Let them know that this time Americans are together on the question of Vietnam," they read. "And that they want out. Completely."

Kelley said several celebrities have joined the campaign for the soldiers' release. These include Martha Raye, whose son was killed in Southeast Asia, and Bob Hope.

HE SAID THE GROUP has also established a POW/MIA Week, which falls July 15 to 20 this year. "Our main purposes are to get the word out to the people and get our message across through political negotiations," he said.

Kelley said anyone interested in becoming involved in the campaign may write to the National League of Families of American Prisoners and Missing in Southeast Asia, 1608 K St. N.W., Washington, D.C. 20006, or may call Kelley at 1-314-943-6969.

## 'Music Under Stars' Tuesday at GC park

The "Music Under the Stars" summer concert series will continue at 8 p.m. Tuesday, July 3, at the Wilson Park Pool Pavilion.

The public is being invited to attend without charge and patrons are being asked to provide their own lawn chairs, when possible, to supplement available seating.

At Tuesday night's concert, the 17-voice children's chorus and the 30-voice adult ensemble will present a program of patriotic music and songs from well-known musicals.

Included in the program are: "The Star Spangled Banner," "Sing," "Tomorrow," "One By One," "People Come Sing Together."

Choral selections from "Oklahoma," and "Meet Me In St. Louis, Louis," "America," "Lady of

the Harbor," "Freedom," "God Bless America," "America the Beautiful."

"You're a Grand Old Flag" and selections from "The Music Man" and "An American Salute."

The choruses are sponsored by the Granite City Park District and new members are encouraged to take part.

Rehearsals for the next concert begin Thursday, July 5, and practice sessions take place in the Granite City High School vocal music room.

Grade school pupils rehearse from 1 to 2 p.m. and high school and adult chorus members practice from 7 to 9 p.m. All rehearsal sessions are on Mondays and Thursdays.

Mary Ann Bright is program director.

## Nurse's aide receives Associate of Year award

Claudine McLaughlin, a nurse's aide at St. Elizabeth Medical Center, is this year's recipient of the Glik Family Associate of the Year Award. The top award honor was presented during the medical center's annual awards dinner at the Marriott Pavilion Hotel.

The honoree received a check for \$1,000 from the Glik family, owners of Glik Department Stores, and a standing ovation from 350 medical center associates and guests attending the dinner. The award is presented for "doing an ordinary job an extraordinary way."

Mrs. McLaughlin, who was nominated by her fellow workers, was chosen from 22 nominees by the Glik Committee. Her peers described her in nominations as "always pleasant," "extra thoughtful to her patients" and "eager to help both at work and in her neighborhood."

According to SEMC President Sister Mary Thomas, "Claudine exemplifies the philosophy of caring of St. Elizabeth Medical Center."

## In Legion Tournament

### Tripped up by Troy, Triplets avenge 6-4 loss

By ALAN L. GERSTENECKER  
Sports Editor  
of the Press-Record

ALTON — No matter how good a baseball team is, there always seems to be one team — one usually with a much worse record — which gives that winning team a rough going.

For example, in recent years, when the St. Louis Cardinals were beating nearly everyone in the league, the Chicago Cubs were the Cardinals' nemesis. For Tri-City Legion Post 115's Senior Legion baseball team that nemesis is Troy American Legion Post 708.

After posting two decisive regular-season victories over Troy, the Triplets virtually came apart at the seams — make that the basepaths — as Troy went on to win Saturday's tournament opening game for both teams 6-4. During the course of the seven-inning contest, the Triplets had five men picked off the basepaths and stranded another five.

FALLING to the losers' bracket, the Triplets were forced to meet the loser of the Bethalto vs. Troy contest. Bethalto, obliged the Triplets, blanking Troy earlier Sunday afternoon 12-0 in five innings, which necessitated another Tri-City vs. Troy rematch.

In that rematch, which began at 5 p.m. Sunday, Tri-City looked as though it was headed for another ill-fated matchup with Troy, which is now 4-14 overall.

With the help of four consecutive Triplets errors in the first inning, Troy scored three times on just one hit.

But, getting the kind of hitting which has been the Triplets' key to success this season, Tri-City rebounded to lambaste Troy in four innings as they scored 12 hits for 14 runs to win 14-3. The Triplets also put its defense together about that first-inning as they played perfect, errorless ball for the remainder of the game.

"I don't know what it was against Troy yesterday, but we just couldn't get things going," said Triplets coach Dave Coakley. "I guess it's just a matter of whether the kids are off or on."

ALTHOUGH it didn't start that way, by the end of the game Sunday, the Triplets were definitely "on."

Perhaps the most "on" player of the afternoon was Triplets pitcher Art Williams. Williams, who usually catches for the Tri-City, threw a two-hitter against Troy, striking out six

in the abbreviated five-inning contest.

Art's definitely a player," Coakley said of Williams after the game. "After getting smacked in the nose like he did yesterday, I wasn't going to start him, but he came up to me and told me 'I'm alright. Hey, I can pitch,' so we went with him."

"HE'S a competitor," Coakley said of Williams. "Even when I had him as a Little Leaguer, he couldn't get enough baseball. He's the same way now."

Offensively, seven of the starting nine Triplets hit safely in the contest. The hot man at the plate for Tri-City was shortstop Pat Cathey. Cathey, who is recovering from a nagging shoulder injury, showed no signs of suffering from the injury as he went 3-for-4, two singles and a double with an RBI.

In addition to his pitching performance, Williams was 2-for-3 offensively with two singles and two runs batted in.

OTHERS going 2-for-3 included third baseman Randy Burgess, two singles, and right fielder Dan Whitsett, also two singles.

Whitsett, incidentally, led Tri-City to their first win in the tournament Saturday evening following the loss to Troy.

Whitsett, who pitched four full innings in the Tri-City's 6-3 win over East Alton, managed six strikeouts, no walks, and gave up just five hits, before being relieved by Gerald Booker.

On the other side of the field, the Triplets' offense also showed signs of improving after Saturday's loss to Troy, scattering seven hits in the victory over East Alton.

LEADING the offense in that game was Cathey and Terry Rujawitz. Cathey did a two-RBI double in the fifth, while Rujawitz picked up two RBIs in the seventh on a double which help pace the Triplets to victory.

Both the Triplets' games with Troy were fiery contests. On Saturday, the game the Triplets lost, Bill Douglas, Troy's center fielder, was ejected from the game in the bottom of the sixth inning for swearing.

A pair of tough games for the Triplets, who are now 11-9 overall. Williams capped the stressful mini-series with Troy by fielding the final out of the game and taking it, unassisted, to first base for the put out.

Tri-City, now in the consolation semi-finals, squares off against Har-

## Now In Hutchinson, Kans.

### Spanky's wins trio; now 20-8

By AL BARNES  
for the Press-Record

HUTCHINSON — Playing manager Bill Stoltz of the 7-Up Spanky's baseball club is off to almost as hot a hitting streak as his charges are in the Win-Loss column.

The Spanky's, winners of their last three games, are now zooming along at a sensational 20-8 pace. Stoltz is hitting at a red-hot .411 average. Saturday night, Stoltz was held to only one-for-three (but three runs batted in) as Spanky's completely demolished the Pacific Rebels, 16-4 in the Missourians' diamond.

Thursday night, under the lights at Edwardsville's Hoppe Field, Stoltz was nothing less than devastatingly awesome as he had a perfect 3-for-3, including a three-run homer in the second inning. He ended up with four runs batted in, and paced the Spanky's to a 10-0 victory over a visiting Mascoutah team.

Friday night, Stoltz and his 7-Up Spanky's club picked up an easy victory as the St. Louis Browns failed to show up at Granite City's Varsity Field. It was rumored, but not confirmed, that the St. Louis nine team got caught in the Vexed Prophet Parade that evening.

In their victory over Mascoutah, Stoltz got another standout performance on the pitching mound

from Gerry Gerkens, a native of Benton, Mo., who starred last year for Flo Valley Junior College. Gerkens pitched his second shutout of his 5-1 season and scattered seven hits. In the process, he fanned 11 batters, a great job in nine innings, but truly terrific in the seven frames the game went. It was called due to the 10-run rule.

Spanky's catcher-third baseman, Keith Hoskinson, sparked at bat. He was 2-for-3 and drove in three runs. Said he, about Gerkens' hurling, "He gave me just everything I signaled for and his control was almost perfect. His curve was simply beautiful."

"He had every batter guessing. That's for sure."

Gerkens registered a strike out in all seven innings, but had two in the fourth, a pair in the fifth and a couple in the sixth.

Mascoutah's shortstop, Ron Lind and first baseman, Don Padgett, didn't have too much trouble with Gerkens as both collected a pair of hits. But, when it counted, Gerkens reached back and fanned Padgett with two men on base and two out in the sixth.

Roger Hill, who has been batting around .400 all season, went 2-for-3 and drove in a run. Spanky's classy outfielder, J. V. Victorian had a

perfect 3-for-3 against Mascoutah. Saturday night in Pacific, Mo., Victorian, who blasted a three-run homer and finished with three runs batted in, was one of four 7-Up Spanky's batters who drove in three runs.

The other trio of batters with three RBIs were: Keith Hoskinson, Doug Peters and Len Bledsoe.

In his first start at Pacific, Mo., on the mound for Spanky's, Bill Huber, a submarine hurler from Nichols State in Louisiana, was impressive in the five innings he toiled. The 10-run rule ended his time on the mound, but he fanned four while giving up four earned runs.

After reaching Hutchinson, Kansas Sunday, Spanky's will play single nine-inning games Monday, Tuesday and Wednesday nights.

Thursday night at Hoppe Park, it'll be a road-tired Bill Stoltz and crew who'll take the field against a strong Shiloh club starting at 7:30 p.m.

Other leading 7-Up Spanky's hitters, including Stoltz, are: Len Bledsoe .381, Tom Greco .440, Bill Patterson .388, Roger Hill .391 and J. V. Victorian .329.

Leading pitchers are: Keith Reinhardt 5-0; Gerry Gerkens 5-1; Marc Gluckman 4-2 and Vince Broderick 4-2.

## But Loses To Est.L

### LeVault lifts GC Juniors past E'ville

By CHARLIE SKAER  
of the Press-Record

GRANITE CITY — Scoring was plentiful during two Junior American Legion baseball games Saturday afternoon at Granite City — 54 runners crossed the plate in six hours of action at Varsity Field.

First baseman Scott LeVault of Granite City ripped two triples and a single to drive in four runs and boost Granite City to a 13-5 overall lead over Edwardsville. Shortstop Todd Hinterser also continued his hot hitting by recording a double and two singles, as well as driving in the run that put Granite City on top for the first time in the ball game.

IN A CONTEST against East St. Louis earlier in the afternoon, Granite City came from behind to score four runs in the bottom of the seventh to tie the game at 14-14. But East St. Louis exploded for seven runs in the top of the eighth to take a 21-14 win over Granite City.

Perhaps more important than hits, errors played the decisive role in determining the difference in the outcomes for Granite City.

"We would be doing a lot better if we played better defense," said Granite City coach Paul Kacera, whose team now stands at 5-7 in Jr. American Legion play. "We seem to be hitting the ball pretty well lately. But I think we had something like 11 errors in the first game (against East St. Louis). We need more defense."

GRANITE CITY's defensive improvement during the contest against Edwardsville played a big

part in the team's win. A fourth-inning error by second baseman Charlie Collins and a sixth-inning error by shortstop Todd Adamitis were Granite City's two fielding mistakes, compared to four costly errors by Edwardsville.

"I don't know what was wrong with these guys today — they were just dead," said Edwardsville coach Ron Davis, whose team now stands at 8-5 in Junior American Legion play. "Those errors hurt us. Then when we did get men on base, we couldn't drive them home."

EDWARDSVILLE stranded nine men during the contest, including two in the bottom of the seventh and three in the first. However, Granite City didn't fare any better as they also left nine runners on base during the contest.

But Granite City made up the scoring difference by outhitting Edwardsville, 11-7, and taking advantage of Edwardsville's defensive mistakes.

Janie Hogan went the distance for Granite City to record the win, although he got off to a poor start by giving up five walks and four runs in the first two innings.

BUT HOGAN received some help when LeVault started his batting attack for Granite City in the bottom of the first. With the bases loaded, LeVault hit a single to left that drove home two runs. A throwing error on the play by left fielder Pat Lewis allowed another runner to score and put the game in a 3-3 tie.

After Edwardsville scored one in the second, Granite City came back

in the bottom of the inning with a leadoff double by Greg Lilley and a single by Tim Hogan. A wild pitch by long pitcher Dan Martin allowed Lilley to cross the plate, making the score 4-4. Hinterser followed with a single to right that put Granite City on top 5-4.

LEVAULT then gave Granite City a 6-4 lead by knocking a triple to center and driving home Hinterser. Granite City stayed on top throughout the remainder of the game, adding three more in the fourth and one run in both the fifth and sixth innings.

Collins knocked a double to left to drive in two of the runs in the fourth, while another triple for LeVault drove in the fifth-inning run and a single by Tim Hogan drove in the sixth-inning run.

In the first contest, Granite City scored eight runs in the fourth inning to take a 9-4 lead. But Granite City's defense broke down as East St. Louis followed with four runs in the fifth and five runs in the sixth.

GRANITE CITY came back to tie the game in the seventh, but two costly errors in the top of the eighth helped East St. Louis take a 15-14 lead with nobody out. East St. Louis then followed with five hits, including a triple and a double, to take a 21-14 lead.

Winning pitcher Cedric Baker then earned the victory by holding Granite City hitless in the bottom of the eighth.

Granite City's next game is set for 6 p.m. Thursday against East Alton. Action will get underway at 6 p.m. at Varsity Field.

## At Tri-City Speedway Friday

### Smith wins fourth modified feature

By JOE SENTER  
for the Press-Record

Bo Smith of St. Charles, Mo. again won the modified feature event at the Tri-City Speedway Friday night. It was Smith's fourth straight feature win.

Driving a 1964 Smith Super Fly Plymouth Arrow, Smith beat a very hot competitor, Mike Wallace of Arnold, Mo., and John Setts of Brighton, Mo. Wallace was driving a 1964 Chevy Cavalier, while Setts was harnessed up in a 1964 Mustang. Vince Sansone of St. Louis was fourth.

In the hot shoe, Wallace took the handicap race and heat race with Setts, the runner up in both events.

Lon Fritz of O'Fallon, Ill. took the limited sportsman feature with Jim Lafferty, second from Gillespie, and Mike Young of Wood River, third. Lafferty won the handicap followed by Krump and Young. Medlock was victorious in the heat race followed by Klump.

Charlie Day won the street stock feature event followed by Scott Bryant of Alton and Tim Snell of Madison. Bob Schnipper of Belleville, Ill. was the heat winner.

Mel Perkins of Granite City won the spectator eliminator race. Tom Utley defeated Ken Watson in the grudge match race, both driving Chevy blazers.

Racing is every Friday night at

the speedway with Tuesday, July 3, a twin firecracker "40" will be held with a \$1,000 prize going to the modified feature event winner and \$500 going to the sportsman's feature winner.

## Luncheon set for Dal Maxvill

Granite Cityans will have two opportunities to meet one of its favorite sons, Dal Maxvill, on Friday, Aug. 17.

In addition to Granite City Community Night at Busch Stadium, which has already been slated for that evening, Granite Cityans will be able to attend a luncheon that afternoon for Maxvill at Charlie's Restaurant.

Maxvill, a member of the St. Louis Cardinals' World Series teams in 1964 and 1967 and now a coach with the Atlanta Braves, will be in St. Louis as the Braves begin a three-game series with the Redbirds.

MAXVILL, who grew up and played Little League baseball in Granite City, is perhaps best known by Cardinals fans for his clutch hit in the seventh game of the '67 World Series

which sparked the Redbirds to a Series victory over the Boston Red Sox.

In addition to the two World Series that Maxvill spent with the Cardinals, he was later traded to the Oakland Athletics of the American League and went on to shine for A's during their heyday in the early '70's.

TICKETS for the luncheon are \$20 and may be purchased at the Tri-City Area Chamber of Commerce or the Financial Planning Center, 3701 N. Main St., Suite 100, in Granite City. Tickets for the luncheon will be made available by the Cardinal organization in two weeks and may be purchased at the Tri-City Area Chamber of Commerce, the Financial Planning Center, the Press Record Sports Desk and area grocery stores.

## In Inter-City Action

## Wildcats blast Chiefs; McDonald's wins

By CHARLIE SKAER  
of the Press-Record

GRANITE CITY — The Granite City Chiefs came close Sunday to winning their first game of the season, dropping a 3-4 contest to the Metro Wildcats in Illinois Inter-City League action.

But the Wildcats didn't give Granite City another attempt at a victory, as they pounded the Chiefs for a 27-0 blowout win in the second game of the double-header.

In other Inter-City League action, McDonald's got back on the winning track Sunday by taking two victories over Cahokia. John Vrenick pitched a 9-5 win during the first contest,

while hurler Mike Zukas coasted to a 20-3 win in the second contest.

**THE CHIEFS** got off to bad starts during both games at Varsity Field, typical of their losses during the season. In the first contest, the Wildcats scored four runs in the top of the first inning although they failed to get a hit.

"Three walks and two errors," said Granite City coach Dennis Gurkin, recapping his team's costly mistakes during the first inning. "That was the ball game."

Actually, Granite City made a noteworthy attempt at getting back in the ball game. The Chiefs scored three runs in the second inning to put

the score at 4-3. Both teams added another run during the game before Granite City went to bat in the bottom of the seventh with a 5-4 deficit.

**WILD CAT** player-coach Kevin Hardin came in as a relief pitcher during the inning. After giving up a walk and getting one man out, Hardin proceeded to give up two more walks and load the bases for hitter Rick Burer.

But Burer, playing in his first game for Granite City, ended the game by hitting into a double play. The Chiefs' newcomer hit a ball back to Hardin, who threw home to force out one. Catcher Mike Miliatti then threw to first, just barely ahead

of Burer, to cap the double play and give Metro the 5-4 victory.

Kenny Crawford was tagged with the loss for Granite City, while Tony Bedwell recorded the win for the Wildcats.

**A LACK** of pitchers forced Gurkin to start Crawford again during the second contest. But the workout proved too heavy for the Granite City hurler, as the Wildcats jumped to a 11-0 lead during the first two innings.

"Kenny is a good pitcher, but you can't expect him to go 14 innings," said Gurkin. "The problem is that we can't find a second pitcher."

After taking out Crawford during the second inning, Gurkin sent Tom Newton to the mound in relief. Newton was tagged for five runs before Dominic Griffin went to the mound in the fifth inning and finished the game for the Chiefs.

"When you get down 11-0, it's kind of hard to keep in the game," said Gurkin.

Wildcat pitcher Roger Matecki helped his own cause by blasting a grand-slam home run in the first inning and following it with a triple in the second inning to drive in three more runs. Matecki, in only his second contest for the Wildcats, held Granite City to just five hits.

**IT WAS** just trying to throw strikes," said Matecki after the win. "I had pretty good control over the ball today."

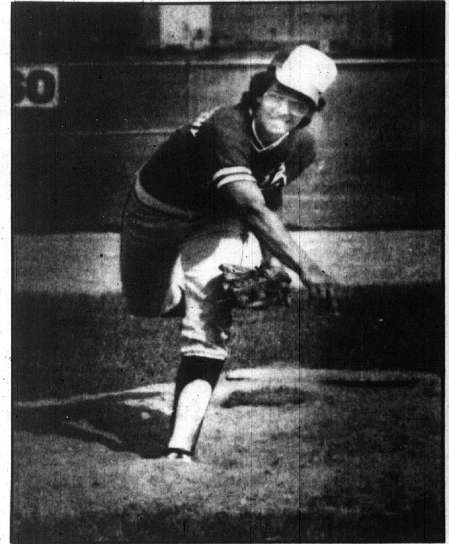

The win upped Metro's record to 6-4. Granite City fell to 0-13.

In the double-header at Cahokia, McDonald's bounced back from a 3-2 deficit to tie the game in the fifth. Lance Parker hit a home run in the sixth inning with two men on to give McDonald's a 8-3 lead. McDonald's added another run to round off the 9-5 win.

McDonald's dominated the second contest, thanks to a five-for-five performance at the plate by Jim Draper and a four-for-four outing by Ken Wilson. The 20-3 win put McDonald's at 8-2 for the season.

## In Friday Baseball Action

## Juniors set back by Oilers

By PAULA WISE  
of the Press-Record

**MITCHELL** — The East St. Louis Oilers put together a 13-hit attack Friday, as they defeated the Mitchell Athletic Club Junior Legion team 7-2.

Mitchell could manage just three hits in its losing effort off East St. Louis' Tim Collins. All three of Mitchell's hits came in the third inning. Collins also struck out eight, including striking out the side in the fifth.

"I think it was the motion," said Mitchell coach Larry Gray. "The kid had a lot of motion."

"Our kids were swinging at his motion instead of waiting for the pitch. I don't know how many K's (strike outs) he had."

**BOTH TEAMS** entered the contest with 11-2 records, so the loss put Mitchell one game behind the Oilers in the league standings. East St. Louis took the lead in the first inning 2-0, and failed to relinquish that lead for the entire game. With one out, Oiler Dwayne Hawthorn started the inning off with a double. Cedric Baker scored Hawthorn with a RBI single. Jim Collins followed with another single that put runners at the cor-

ners. Mitchell's Eric Gray struck out the next Oiler batter to make it two on with two out. Larry Striklin then delivered an RBI single to score Baker and make the score 2-0.

**THE SCORE** remained the same until the third inning when Mitchell got all three of their hits. Randy Burgess led off the inning with a single to left. After Tim Groves had struck out, Ryan Weeks singled sending Burgess to second.

It looked as if the inning might be over for Mitchell when Greg Nemeth hit into a fielder's choice that left Mitchell with runners still at first and second. However, Matt Roe delivered a single into center that drove in two and tied the score 2-2.

More often than not after a team has a good inning there will be a slight let up in the next inning. This happened to Mitchell in the fourth.

**AFTER** coming back to tie the game in the third, Mitchell allowed five runs on five hits in the fourth. Coach Gray felt the bad inning was due in part to a lack of concentration by his players.

"We had a lot of untimely errors," said Gray. "They really only had one good hit, more Eric (Gray) lost his concentration."

"These kids got to sleep sometimes. They just didn't seem to have their heads in the game."

Eric Gray was relieved by cousin Tim Gray in the fourth after giving up all seven runs. Tim Gray came on and induced Leonard Baker to ground out to end the inning.

"Eric got to a point where he lost his concentration," said Coach Gray. "He started throwing the ball right down the middle. He's lost confidence in his curve, and has started throwing just the fastball and sinker."

After relieving in the fourth, Tim Gray allowed no runs and just three hits in the remaining three innings.

Mitchell's next game will be Tuesday night at O'Fallon. The game will begin at 8:00.

## Caine, Crone, Graves

## Athletes do well in TAC Regional Meet

**NORMAN, OKLA.** — Three members of the U.S. Athletic Track Club, of Metro-East, participated in "The Athletics Congress" (TAC) Regional Track Meet held here, June 29-30.

The TAC Regional consists of the first- and second-place finishers in each event from the six states that comprise the region. The three local participants were Becky Caine, Gary Crone and Eric Graves.

Miss Caine participated in the high jump, long jump and 30-meter hurdles. Heavily trained for the competition, she finished second in the long jump and the hurdles.

**MISS Caine's** accomplishments in the hurdles were the highlight of her competition. Getting off to a bad start, she used her sprinting strength to catch the field and finish second.

Crone participated in the long jump, triple jump and the 400-meter dash. He led the field from the start to finish in the long jump and triple jump, establishing personal bests in each.

His best performance, however, came in the triple jump where, on his sixth and final try, leaped 44-feet 11 1/2-inches.

**GRAVES**, Granite City High's standout high jumper last season, participated in the high jump and the long jump at the meet. Graves, who also has a flair for last second heroics, waited until his final jump in the long jump to win the competition.

He qualified for the finals on his last jump in the preliminaries and was in a dismal sixth position before his winning final jump.

In the high jump, Graves led from start to finish, making all jumps on his first try up to 6-foot-10-inches. He

concluded the competition with three tries at 7-foot-0-inches.

By virtue of their performances, each qualified for further competition in the TAC upcoming meets. Miss Caine, due to age limitations is eligible to participate in the TAC Age Group Championships at Provo, Utah, July 12-14, while Crone and Graves have qualified for the TAC Championships to be held in Baton Rouge, La., July 19-22.

## Burcky, Myracle honored at sports dinner

Two Granite City residents were among the Aurora (IL) College athletes honored at the annual Sports Awards Banquet.

Craig Burcky, 2586 Spaulding, of Granite City was presented a major award for his third year's participation in Spartan soccer by coach Rick Kilps.

Kenneth L. Myracle, 2528 Lynch Avenue, Granite City, was presented a major award for his fourth year's participation in Spartan soccer.

Burcky is the son of Mr. and Mrs. Bill Burcky of Granite City. Myracle is the son of Mr. and Mrs. Don Myracle of Granite City.
